

## We changed our billing system for FDPIR program

To make it easier to purchase our product, we plan to start offering quarterly and monthly billing. This allows more organizations to afford our publication. To qualify, you must order at least two boxes of 100 (200 magazines). The price of a one-year subscription is \$1,860 for a box of 100 magazines. This price includes free shipping.

If you order 200 or more, you qualify for quarterly or monthly billing. Following is a break-down of the price.
